Dear Fairlee Selectboard;

Last fall the Upper Valley Ambulance Board of Directors decided on an increase in UVA's subsidy by \$2.00 per capita over two years. Despite a substantial increase in our costs that we learned about after that determination – specifically a fee for service to our mutual aid ambulance partners that we are now obligated to pay when they respond to a 911 call in our area – the Board has decided to absorb this cost and stick with the planned increase. Thus the request for 2017 is increasing from the current \$36.00 to \$37.00 per capita.

Please find the attached annual report as well as a copy of the letter that went out last year. Please feel free to contact me at clay.odell@outlook.com or 802-333-4043 ext 109 for any questions or concerns.

Best regards,

Clay Odell, Executive Director

per 2016
 $977 \times \$36. = 35172.$

2017
 $977 \times \$37.00 = 36149.$
