

**Central Vermont Council on Aging  
FY2017 Report of Services to Town of Fairlee**

Central Vermont Council on Aging is a private, nonprofit organization that is dedicated to the mission of supporting elders and family caregivers in leading self-determined, healthy, interdependent, meaningful and dignified lives in their homes and communities.

For more than 40 years, Central Vermont Council on Aging has assisted older Vermonters aged 60 and up to remain independent for as long as possible. We connect the elders in our communities to the network of benefit programs and services that they need to thrive. All services are made available to our clients at no charge without regard to health, income or resources.

Some of the options we make available include:

- Senior HelpLine – (800) 642-5119 – has the answers to hundreds of common questions from elders, families and caregivers
- Information & Assistance staff counsel elders and families on the many available benefit programs and services, such as 3SquaresVT, seasonal fuel assistance, and more
- Case Managers work with clients in their homes to assess needs and develop, implement and coordinate individualized long-term care plans
- Nutrition Services oversees the menu development for home-delivered and community meals and provides the largest source of funding for the 14 meal sites that prepare and deliver these meals
- State Health Insurance Program (SHIP) provides personalized Medicare counseling, group training, and enrollment assistance for Medicare Part D plans
- Family Caregiver Support promotes the well-being of the family members who help to make it possible for seniors to remain in their home

During the last year, Central Vermont Council on Aging provided one or more of the above services to 31 Fairlee residents. Case Manager, Chuck Rynard and Marianne Barnett are designated to work directly with the seniors in Fairlee. Central Vermont Council on Aging devoted 478 hours of service to Fairlee seniors.

All of us at the Central Vermont Council on Aging extend our gratitude to the residents of Fairlee for their ongoing commitment to the health, independence, and dignity of those who have contributed to making the Central Vermont communities what they are today.
