Safeline, Inc. is a 501(c)(3) non-profit organization that provides free and confidential services for victims of domestic violence, sexual abuse and stalking in Orange County and northern Windsor County.

During the fiscal year ending June 30, 2017, Safeline's staff and volunteers provided 2,251 services for 312 victims of domestic violence, sexual abuse and stalking. **48 services were provided for 8 victims who identified themselves as residents of Fairlee.** It is likely that these statistics are understated, as victims often choose not to give any identifying information out of fear for their own safety. Most of the victims have children within their family.

A trained advocate is always available to provide crisis support, safety planning, resources, information and referrals through Safeline's 24 hours a day/7days a week Hotline (1-800-639-7233). Survivors can also choose from a wide array of additional services including legal advocacy, day shelter services, job readiness skills development, and financial management education.

In addition to providing direct services, Safeline is a resource for the community at large and is committed to changing the culture of violence. As part of this work, Safeline offers a full range of prevention education for community organizations, schools, medical centers, faith communities, youth groups, and anyone who is seeking information about domestic violence, sexual abuse and stalking. This year, Safeline's staff presented the comedy show fundraiser in Fairlee, plus offered "How Domestic Violence Effects Children and What You Can Do to Help" to the local school.

We thank the voters of Fairlee for your support as we strive to end domestic violence and sexual abuse.
